ORDER EXTENDING STATUTORY DEADLINE

Summary

This decision extends the statutory deadline in this proceeding to
February 14, 2016.

Background

Public Utilities Code Section 1701.2(d) provides that adjudicatory cases
shall be resolved within 12 months of the date that they are initiated unless the
Commission finds that deadline cannot be met and issues an order extending it.
This matter has been categorized as adjudicatory and the 12-month deadline for
resolving this proceeding is August 14, 2015.

On August 14, 2014, the Commission instituted a formal investigation into
the operations, practices, and conduct of New Day Broadband One, LLC (New
Day Broadband) to find whether violations were made to any laws, rules, and
regulations of this State by operating without obtaining the required franchise
from the California Public Utilities Commission.

The assigned ALJ unexpectedly required medical leave before the PHC could be set. He returned to work on July 20, 2015 after nearly three months of medical leave, and a PHC will be set in the near future. Therefore, an extension of the statutory deadline until February 14, 2016, is necessary.

Waiver of Comments

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may reduce or waive the period for public review and comment of decisions extending the deadline for resolving adjudicatory proceedings. We waive the period for public review and comment pursuant to this rule.
